1. Reminder: ACPA Annual Convention Program Proposals Due 12 September 2011
This is just a friendly reminder to get your program proposals in quick! The deadline is rapidly approaching (12 September 2011)!

Also, don't forget to seek sponsorship for your program from Commissions and/or Standing Committees! This is a great way to target your program proposal to certain audiences depending on your program.

2. SCM Name Change Survey

As previously mentioned, the SCM is looking into the possibility of a name change at this year's Annual Convention. The process would require a change to the ACPA By-Laws, but the first part of the process is information gathering from both SCM and non-SCM members.

Please take 5 minutes and fill out the following survey. It is anonymous and will help the SCM Directorate determine some much needed information in terms of how we choose to progress.
