### In Case You Missed It!

The mission of the Commission for Admissions, Orientation, and First Year Experience is to provide, “superior resources for scholarship, recognition, and networking for all association members whose work is engaged in the management of student enrollment and adjustment.” AOFYE is able to do this by using the expertise of a network of professionals who understand that college and university transition programs function best as integrated, intentionally-connected, and comprehensive processes.”

Our goal and service as an organization is to be intentionally integrated and inter-connected. As such, we would like to introduce you to our monthly newsletter appropriately called, “Transitions.” The purpose of our newsletter is to serve as a collective of all things happening within our commission and within the field of AOFYE.

Because we are all busy professionals, you may not check the AOFYE website, Twitter feed, or the Facebook blog. To remind our network of what is happening in the commission, Transitions will have one section (i.e., this one) dedicated to informing you of events that have happened in the past month, or events that are coming soon.

We want to continue to improve Transitions, our [AOFYE webpage](#), and the [AOFYE Blog](#). If you have suggestions or feedback for any of our platforms, reach out to us at [acpaaofye@gmail.com](mailto:acpaaofye@gmail.com) and a member of our directorate board will be happy to connect with you.
